2. This will be a two day, three in one tournament, there will be a payout for each day total weight, plus overall for both days. The first day being on Saturday Oct 7th and finishing up on Sunday Oct 8th. These pay outs will be awarded on Sunday Oct 8th after the completion of the second day. Awards will be given to the top 5 teams. An additional award will be given to the team with the largest move up in the placement chart for 2 day overall (come back award).

3. The tournament hours will be from 7:00 am to 3:30 pm each day. Sign in and boat inspections will begin at 6:00 am at the **Mule Creek Bay (Bear Claw) and Pat's Point boat ramps**. We will **stage and launch boats from the Marina Bay**. Two flights/trickle start will be used to start the tournament, and reverse day 2.

4. Fish **fifteen inches (15")** or larger will be measured. Fish will be measured in **1/4 inch** increments. Each team will be allowed to measure in twelve (12) fish per day with a maximum of five (**5**) fish in possession at any one time per team. Any fish less than fifteen inches (15") that are brought into the weigh station will not count towards the team's weight; however, the short fish will count toward one of the twelve (12) fish maximum for the day. **The time the fish spend in the live well will be no more than three (3) hours (The NEWWA strongly recommends weighing in multiple times per day, not to exceed twelve (12) times)**. Once five (**5**) walleyes are in the live well, anglers must immediately proceed to a weight station. Fish that are unable to right themselves after weighing shall be declared dead and will be given to the contestant and count towards the anglers possession limit. If any fish is questionable (white gills, soft flesh, sunk in eyes, etc.) due to poor handling, these fish will not be counted towards weight but will count towards the 12 fish limit. After teams measure in their fish, one team member will sign to confirm the measurements. Note: ***there will be no culling allowed***. If a fish is placed in the live well, it must be weighed in by a tournament staff member/official. Violation of this or any Wyoming Game & Fish Regulation, Wyoming State Parks rule or NEWWA rule between 6:00 p.m. Friday Oct 6th 4:00 p.m. Sunday Oct 8th will result in the team being disqualified from the tournament.
